SPIRIT has been shown during the year by the fine participation of Washington students in extra-curricular activities. It is through their efforts that we can take true pride in our school.

SPIRIT in our school has been shown by the pride we take in the name Washington High. The spirit we have shown at away games and at activities can only account for a part of this. A clean campus and our attitude in general have all contributed to our school spirit.

SPIRIT can be observed in studying in the classroom. Students take pride in their individual scholastic achievements. With the help of a fine teaching staff and library, students have the opportunity to gain an excellent education.

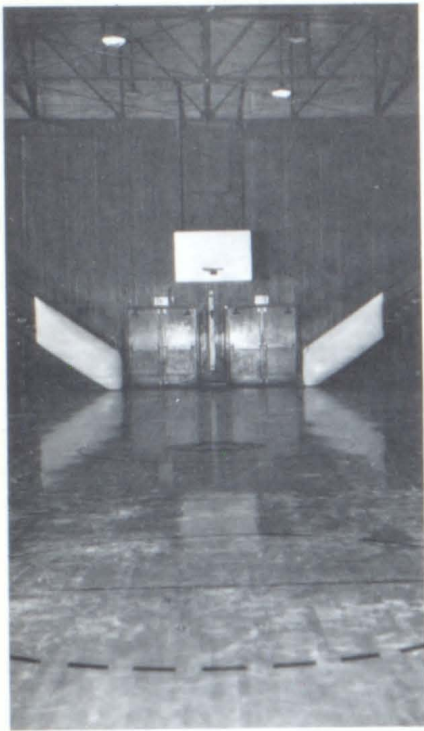

SPIRIT has been shown throughout the year at our athletic events. Our teams have done well this year. Credit for our many wins can be given to the fine coaching staff, the hard work, and ability of our great Husky Spirit.

O WASHINGTON

WE LOVE THEE . . .

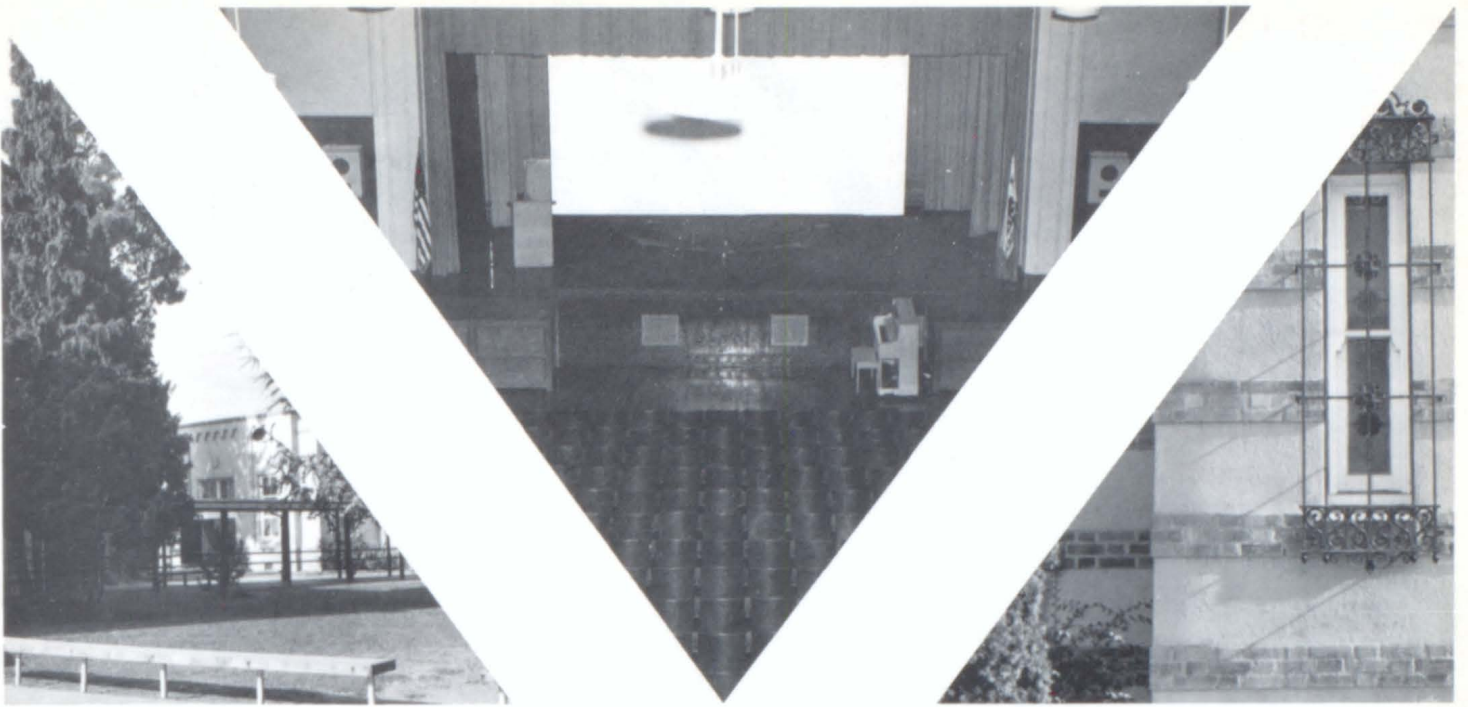

Dedication

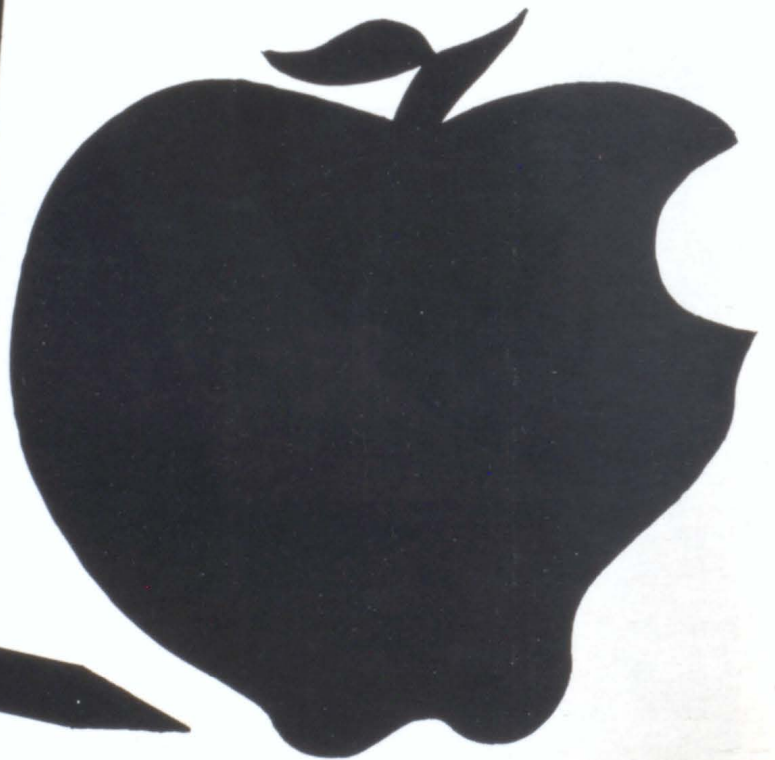

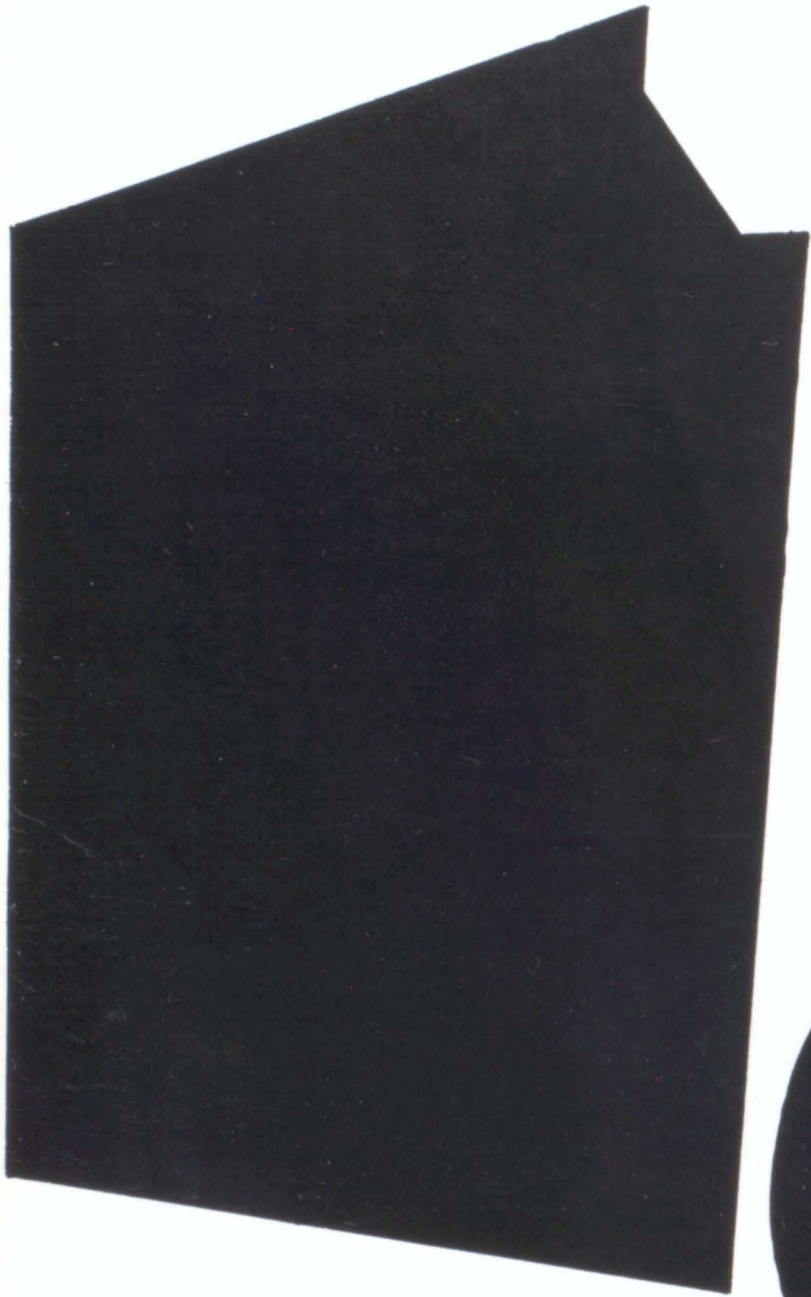

In keeping with the theme of Spirit for this year's **Washingtonian**, the class of 1964 would like to dedicate this edition of our annual to the students of Washington High School.

TO THE SENIORS

MESSAGE TO SENIORS

"... any good, therefore, that I can do, let me do it now... for I shall not pass this way again."

The author of these words and the circumstances under which they were spoken are unknown to me, but the words themselves made an impression upon me long, long ago. They have always served to point out the necessity of never delaying a good deed. I hope they serve you well in the future as they have me in the past.

You have spent the past four years at Washington. Each of you has made his impression upon the school. Some impressions are deeper than others; nevertheless, each of you has left his mark. For everything good you are leaving behind, for every improvement you have made, Washington will be forever grateful. You can never be forgotten, for as long as there is a Washington and as long as a Husky lives, a little bit of you lives imbedded in the Husky Spirit.

Your job is not done yet. In fact, it is only beginning. You are leaving Washington behind, turning toward the future. Never look back with regret. Be glad you were a Husky, and whatever you do in the future, do it with the spirit of a Husky.

Some of you will be going directly into the working world; others will be going on to higher education; but most important of all, each of you will soon be assuming the duties and responsibilities of citizenship. You will be collecting your inheritance, the legacy left to you by all Americans who have preceded you—the rights and privileges, the duties and responsibilities of living in a democracy.

This legacy is to be cherished and maintained. There will be times when you will have to fight to maintain it, and even that will not be sufficient. You will have to give to it something of yourself—something good—so that the legacy you pass to future generations will be greater than that which you received.

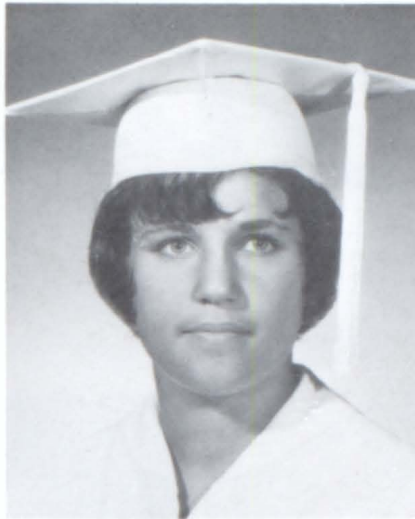

Remember, though, whatever good you plan to do, do it now. You will not pass this way again.

AMID SUMMER

Oberon gives his chief assistant, Puck, instructions.

The mixed up lovers, Lysander, Helena, Hermia, and Demetrius, quarrel.

A Midsummer Night's Dream was presented by the Fine Arts Department in honor of the eve of Shakespeare's Four Hundredth birthday. The students did a remarkable job of portraying characters and showed sensitive understanding of the play. The sets were a credit to the Stage Craft Class and were perhaps the best that Washington has ever seen. **A Midsummer Night's Dream** was a real credit to all who worked on it, especially Mr. Bertino, the director.

Oberon, the King of the Night, fights with Titania, his Queen of the Night.

The Full Cast

The writers, Alinda Lawrence (Belinda Muldonne), Bill Getz (Martin Klutts), Irma Ruiz (Myrtle Flunger), Dan Zook (Beatnik), Jody Moroshock (Leroy Ernschaw), Doria Rose (Inez Lure), and Dave Hoyt (Bimson Mogul), try to decide on a good television show.

Doug Kampcik (Dr. Lacerated) and his nurses sing about the fate of their patients.

The student writers of the script include MaryAnn Argyres, Adele Bean, Martha Klemm, Marty Waller, MaryAnn West, Doug Kampcik, Sue Gammel, Donna Motal, Kathy Launtz, Madelyn Pray, Michelle Mc Intyre, Paul Moser, Jay Smith, Marjorie Chapman, Bob Mendonca, and Helen Northrup.

Pam Roberts was the director, and Dennis Hall was the general chairman. He was responsible for the entire show; the Senior Class owes him a big THANK YOU.

Bonnie Mattos (Judy Garfield) and B. J. Heard (Ethyl Mermaid) attempt to out-sing each other.

Stephanie Duke (Kritch), Barry Sawyer (Perfumo), Peggy Burnside (Lady MacBeth), Dave Thomas (Zorch), and Ken Boals (MacBeth) show how things run in a Fremont psychiatrist's office.

Jim Denning (Swanson) and Marty Waller (Savage) tell a riddle to Peggy Buckman (Abigail Roach).

Harold tries to attract Marian's attention, but Zaneeta and Tommy don't seem to notice.

The Music Man is set in River City, Iowa, an all-American town. To signify this, the sets were all done in Red, White, and Blue. Another set represented a typical train of the early Twentieth Century on which the traveling salesmen would ride.

The musical score is also all-American. On the nights of April 16, 17, and 18, **76 Trombones** rang out all over the Washington campus. The boys particularly enjoyed Harold's philosophy, "The Sadder but Wiser Girl for Me."

The River City population decides the fate of Harold, the Music Man.

Prince Charming places the glass slipper on Cinderella's foot as her fairy godmother looks on.

This year's children's show, *Cinderella*, was attended by two packed houses of children. They seemed to enjoy "real theatre" as a substitute for the usual Saturday cartoons. The sets enchanted the younger crowd, especially the castle which appeared to be from Fairyland. The cast did a superior job and were very convincing in their characterizations. *Cinderella* was a production of which the Drama II class could justifiably be proud.

All ends well as the Prince has his Princess, Cinderella, and the mean sisters have the "fools" for husbands. The Queen and Prince Charming's sidekick, Roland, look on the happy scene.

Six Puppies were placed on all-league teams. First team offensive end went to Senior Bob Fritch. Second team offensive tackle and halfback went to Dave Eaves and Tim Hopson respectively. Steve Nelson, Rodger Buehler, and Sky Van Scoy received positions on the 1st team all-league. John Brady was selected 2nd team all-league goalie. Nelson was elected captain, while Van Scoy was voted the most valuable player of his team. Nelson was chosen the league's most valuable player defensively, and both he and Van Scoy made the all-NCS Tournament Team. The Husky Water Polo team has been undefeated in league play since 1959.

The Frash-Soph Water Poloists ranked third in league action in the 1963 season. Selected most valuable player, Rick Howe also won a spot on the all-league first team. Fray Heath placed in the 2nd team all-league, while Russ Rapp and goalie Parks Miller received honorable mention. Jeff Nelson was elected captain of the Puppies.

The 1963-64 version of the Husky Varsity Wrestling team represented Washington well in the M.H.A.L. They boasted a final league standing of third place, winning 8 of 11 matches.

Individually, Arno Dominguez and Terry Smith were undefeated in league competition. Arno, a Senior, went on to finish first in the North Coast Sectional meet and second in the State meet. Fine performances were also given by Dale Mowreader, Skip Halbakken, Jose and Geronimo Perales, Steve Rogers, Vince Cogal, and Dennis Burns.

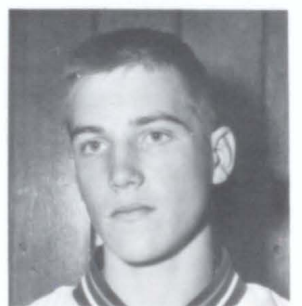

The Varsity II team, although not participating in an official league, had an undefeated season. Commendable performances were given by Senior Bruce Coffey, Sophomores Raval Marchant, Rich Cole, Pat Ambiel and Freshman Bob McLean.

In field events, outstanding men include Terry Smith in the pole vault, Skip Halbakken and Marty Waller in the shot put, and Halbakken and Jeff Voorhees in the discus.

The 1964 Varsity Track team boasts many outstanding individuals but is plagued by an unfortunate lack of depth. In the inter-class meet, the Seniors and Freshmen beat the Sophomores and Juniors.

The '64 Husky Baseball team shows strong indications of having a commendable season, being aided by good depth in most positions and an exceptionally fine catching staff. It is possible the Huskies scent the chance of winning a league title, powerful Lick and Lincoln being potent adversaries.

A fine nucleus of returning lettermen and a good crop of experienced Juniors are the main assets of the Varsity this season. To date the game record stands at two wins, one loss, and one tie.

If by chance the Huskies don't fare well this year, the chances for the '65 club seem bright in a new District League. They should have as many as ten returning ball players, including the entire catching staff.

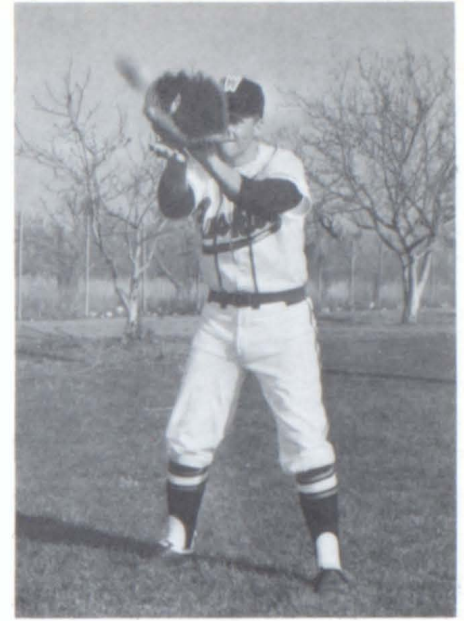

As can be seen, chances for this and next year's clubs seem bright; work hard, Huskies, and hope for the best.

FROSH-SOPH BASEBALL

The '64 Washington Frosh-Soph Baseball team saw a year of hard work and many thrilling moments.

To an incoming Freshman, who has played nothing but little-league ball, high school ball seems like a lot of work: running and constant practicing of fundamentals (as is shown in the few snaps on this page). One spends approximately three hours, after school, shagging fly balls and scooping countless numbers of grounders.

All this work will not seem very difficult to the Freshmen with the desire and will-power to improve himself in hopes that he can one day fulfill his dream of playing Varsity Baseball. For he knows the work is for his own good and he will make his time in Frosh-Soph competition well worth while.
